# COMPANY OVERVIEW

**Global IT Company is IT Systems Integrator With Capacity and Experience for Providing Strategic Technology Solution that Improve Business Goals.**

**In Business Diverse Industries Including Financial Services, Telecommunications, Manufacturing , Oil & Gas, Textile and General Business.**

**We Provide Solutions Thorough Professional Team with at Least 15 Years Experience .**

**Our Solutions Comprise Enterprise Integration, Infrastructure Support Services, IT Operations Enterprise Integration, Infrastructure Support Services .**

# COMPANY OVERVIEW

## WE ARE A PARTNER FOR

Hewlett Packard  
Enterprise

Microsoft

symantec™

APC®

by Schneider Electric

DELL™

# OUR STRATEGY

## VISION

Be the IT solutions of Choice  
in Egyptian Market .

## MISSION

Provide our partners with the latest technology,  
products and services .

## BUSINESS STRATEGY

Respect for employees , customers and society .

Integrity in all endeavors .

Commitment to be customer centric .

Excellence in delivery .

Creativity & development for sustainable growth .

# PRODUCTS

Global IT Committed to provide all the new in the information technology, Data Transmission , Unified Communication fields , by providing the worlds best available brands of hardware and software technology manufacturers for the Egyptian corpportions, the puplic and private sectors, we determine to provide our customers the products with the highest performance , valuable prices, facilities and guarantees, We classify products for our customers into sections according

**Personals Systems.**

**Enterprise Systems.**

**Imaging and printing systems.**

**Software Systems.**

# Persons System

This sector of products for personal computing uses ,  
we provide all computing devices for ordinary uses ,  
graphical, gaming from personal computers  
to satisfy our individual customers need.

**Desktop.**  
**Laptops.**  
**Tablets.**  
**Work Stations.**  
**All-In-One Devices.**

# Enterprise systems

**This sector of products for the Enterprise and SMB companies, we provide all devices and software for data center infrastructure as servers, storage, backup devices, all network devices, all power systems, all data center accessories, through the best brand in the world.**

# OUR STRATEGY

## IT Systems

Server ( Rack able - Towers - Blade systems - Systems )

Storage (DAS - NAS - SAN )

Backup ( LTO Drivers - Library - backup to disk )

## Network Systems

Routers / Modems

Switches ( Smart - Managed - Unmanaged )

Wireless ( Access Point Indoor - Outdoor )

Unified Communicaton ( Full Call Center - IP Telephony )

Video Conference ( Full Data Show Systems )

## Data Center Infrastructures

Rack / Accessories

KVM

UPS

# Imaging and Printing system

We provide streamline crucial business processes and tasks using powerful printers for business workflow and printing solutions. The latest tools for efficient printer fleet management help reduce It workload and costs enhance employee productivity and enable users to print securely wherever business demands.

## Printers

Ink jet and desk jet

Laser jet ( Black - Color - MFP )

Design jet ( Plotters Machines )

## Scanners

Flatbed Scanners

ADF Scanners

# SoftWare System

**This sector of products for the Enterprise and SMB companies, We provide software, programs, applications and the needed licenses to operate and control all information technology and network systems to get the best performance, top security, most keep data and data recovery at time.**

# SoftWare System

## Operating Systems

Personal computing Windows license

Servers OS windows Servers ( Latest Versions )

## Office Tools Software

MS Office Package ( Latest Versions )

## Office Tools Software

Antivirus Software

Backup and Restore Software

## Virtualization Software

Hyper-v

VMware

Citrix

# Services

Our goal is to provide the best service  
For our customers to get the permanent  
satisfaction through our services and support  
that guarantee the highest performance in the  
operation of their systems.

**SUPPORT AND CONSULTING SERVICES.**  
**MAINTENANCE AND REPAIR SERVICES.**  
**DESIGN AND INSTALLATION SERVICES.**  
**MAINTENANCE CONTRACTS SERVICES.**

# support & Conseling Services
